

*The World's Most Trusted Conveyor*

## **CUSTOMIZED, AFFORDABLE**

## **24 Hour Unattended Drop Off and Pick-Up SOLUTION**

provides your customers with  
around-the-clock service.

## **White's Unattended 24 Hour Automated Dry Cleaner Reduces Costs and Increase Profits While Providing Your Customers Unsurpassed Convenience**

White's 24 Hour Automated Dry Cleaner (ADC) provides your customers unattended drop-off and pick-up service, dramatically increasing your profits while reducing costs.

Expand your reliable White system with an in-line ADC or expand to new locations. White's expert team can design a perfect solution, incorporating your existing configuration. The possibilities are limitless, and so are the potential profits when you put the ADC to work for you.

The ADC provides fast return on investment. You can expect 100% ROI in a few years. Then, just sit back and collect remarkable profits for many years to come

with White's ADC. What's more, your customers will love the round-the-clock convenient service. They can drop off and pick up garments any time, day or night, on their way to work or play. There is no better way to build loyalty and new business.

- ✓ **Fast return on investment**
- ✓ **Competitive Advantage - Greater Customer Service**
- ✓ **Fast delivery time**
- ✓ **Interfaced with your point of sale (POS)**
- ✓ **Can be configured to fit your existing building - can go up, down and around corners.**
- ✓ **Expandable as your business grows**

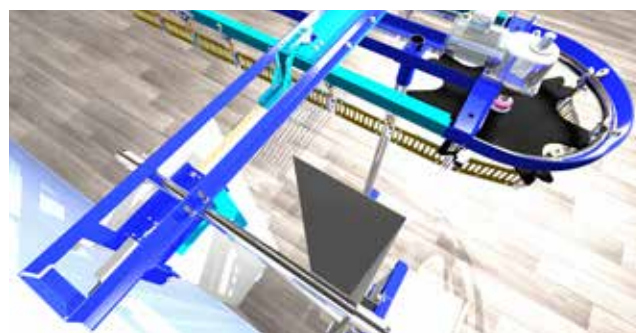

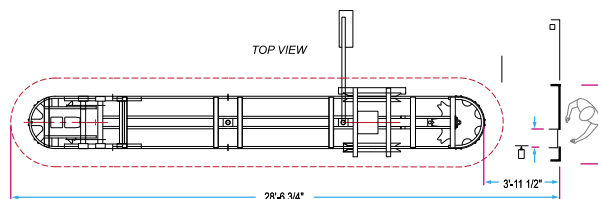

# Reduce Costs and Increase Profits While Providing Your Customers Unsurpassed Convenience

**24 HOUR** **AUTOMATED DRY CLEANER**
